

Your Commitment to Huntington County

LIVE UNITED

Enhanced the Quality of Life for All.

2015 Campaign: \$612,000 in Treasure with 2,549 Givers

United Way

Our Community IMPACT

United Way of
Huntington County, Inc.

133

community members were trained in how to report child abuse and neglect.

748

tutoring hours were provided to adults for increasing literacy skills to further their careers.

253

youth participated in programming to make better choices in life to help improve academics.

1,250

hours incoming kindergarten students received at their school prior to the year starting.

120

pounds lost by citizens who were active in an exercise program in Huntington.

1,400

nights slept in a safe location in Huntington County for individuals who needed some place to stay.

\$13K

given to patients with cancer to ensure they were able to attend cancer treatment.

9,000

hours parents spent learning about the importance of fitness to increase health and wellness.

45

individuals who had a place to stay when they did not have anywhere else to turn.

\$350K

saved in tax preparation services for citizens in our community during tax season.

61

families mentored to make wiser financial decisions for themselves and their family.

34,787

trips provided to community members to get to work or scheduled appointments in town.

*How can your time, talent, and treasure make even a more significant impact in our community in 2016? **Let's find out together.***
