3:00pm to 6:00pm

Hillside Shooting Sports

Dear Community Member,

We all aspire to something - a loving family, an opportunity to discover what our purpose is, an education to help us bring that purpose to life, a home to call our own, a job that brings us fulfillment, coworkers that make us feel valued, earnings that cover our most essential needs, a community that makes us feel welcome, a sense of community and belonging.

Whatever drives you and those around you, United Way of Huntington County is here to support you on your journey. We are investing in youth opportunity, creating healthy community, enabling financial security, and meeting the most critical needs of families today while reducing barriers to hope and prosperity so that tomorrow offers a bright future for all.

We invite you to join us. Only by working together can our community thrive.

In 2025, we're offering several opportunities to build your teams, challenge your coworkers, family, and friends, and come together in fellowship for a good cause. Whether you choose to sponsor an event, or become part of a competitive team, we're delighted to have you on board because everyone can be a champion for tomorrow.

Sarah Kemp
Executive Director

Jay Peters
Board Chair

Become a
2025 Champion
