THANK YOU!

The first annual Discs for a Difference: United Way of Huntington County Disc Golf Tournament was a huge success. Held on July 13, 2024, 50 players joined together to support the United Way of Huntington County and Dolly Parton's Imagination Library, raising over \$4,800.00!

About the Tournament:

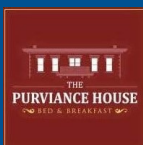

Players gathered on Saturday morning at Memorial Park for a day of play that included two 18 hole rounds, lunch, raffles, and closest to the pin awards. 4 divisions were offered. Conner Needler placed 1st in Mixed Amateur 1, Evan Clark, Garrett Kennedy, and Brandon Baker placed 1st in Mixed Amateur 2, 3, & 4. Lunch was provided by Whatcha Havin'? Food Truck. Jonah Carter provided a lemonade stand and gave back 10% of his earnings to Dolly Parton's Imagination Library. We look forward to next year's tournament!

About Dolly Parton's Imagination Library:

Registered children receive one free book a month delivered directly to their households. In addition to helping the children develop a love of reading, the program is designed to engage parent involvement, prepare children for entry to kindergarten, and enable every household to build their own library. Since launching the program in November 2021, 1,420 children in Huntington County have been positively impacted with the delivery of over 22,890 books.
