United Way of Huntington County

United Is The Way

At United Way of Huntington County, we exist to build a thriving community for everyone – not just for some. We address our county’s most pressing challenges, including early childhood literacy, access to academic supports, financial stability, and the health and wellness of all. These complex issues require more than charity; they demand coordination, leadership, and sustained community engagement.

That’s where we come in.

We bring together voices from every corner of the community – individuals, nonprofits, businesses, and government – to drive real, lasting change. Through grassroots conversations, partnerships, and cross-sector collaboration, we identify root causes and co-create solutions that work.

We invest in high-impact programs, promote volunteerism, advocate for policy change, and lead initiatives that enhance youth opportunity, community health, and financial security. We don’t serve a single cause or single group – we serve the whole community.

And, we make it easy for everyone to take part. Whether you give \$5 or \$500, your support helps transform lives and shape futures – right here in Huntington County.

Join us. Together, we can ensure that every person in our community has the opportunity to thrive.

“Today, I’m working full time and pursuing my associate’s degree. This program didn’t just help my son; it helped me become the mother I always wanted to be. And for that, I will be forever grateful.”

A student said, “It just won’t be the same this summer! I’ll miss seeing you when I get off the bus each day and I’ll miss playing games and getting help on my homework. I will DEFINITELY be back!!”

“The barriers that once stood between patients and their care began to crumble, one ride at a time.”

“As we explained and answered her questions, the survivor became more at ease to complete the forensic exam. Afterwards, we provided support and safety planning with her, discussing next steps in the process. The survivor gave a big sigh of relief...”

“It’s always a bright spot in my week. Whatever kind of day or week I am having, I know I will smile, laugh, and enjoy my time with the students. I leave each Wednesday in a better mood than I came!”
