## Utility Resources

### Duke Energy:

Since many customers may be facing unusual financial hardships as a result of COVID-19, we are suspending disconnections for nonpayment effective March 13, 2020. This applies to all home and business accounts in Florida, Indiana, Kentucky, North Carolina, Ohio and South Carolina. Have questions about your Duke Energy Bill: contact 1-800-521-2232

### Nipsco:

NIPSCO today announced that it will voluntarily suspend shutoffs for nonpayment in response to the COVID-19 pandemic, effectively immediately. This suspension will apply to residential, commercial and industrial customers and will remain in effect until further notice. In addition, NIPSCO will offer its most flexible payment plans to customers who indicate either an impact or hardship as a result of COVID-19 and will suspend late payment charges until May 1. NIPSCO will continue to monitor current events and support our customers and communities.

“The safety of our employees and customers is at the forefront of everything we do at NIPSCO,” said NIPSCO President Violet Sistovaris. “We are taking a proactive, coordinated approach to prevent, mitigate and respond to COVID-19.”

Any customer who has received a termination notice or is having trouble paying his/her bill should call 1-800-4NIPSCO to discuss payment arrangements and/or financial assistance programs. In addition to the shutoff moratorium, NIPSCO is doing the following in response to the pandemic:

- Our employees are taking all appropriate precautions to keep themselves and our customers safe.
- NIPSCO has activated its incident management team and is closely monitoring the Centers for Disease Control and Prevention, World Health Organization, and local state and federal health agencies for updates related to the virus.
- To help reduce the spread of COVID-19, until further notice, employees whose positions allow it are working remotely.
- For those critical employees who must report in person to complete their work, additional precautions are being taken to minimize the spread.
- We will continue to ensure that our system is safe and, if an outbreak would occur in our service territories, have plans in place to suspend all non-emergency work if necessary.

### REMC:

Until further notice, Heartland REMC will not be disconnecting any member’s electric service due to non-payment, allowing members experiencing financial challenges additional time to provide payment. Members should expect continued delivery of billing statements, as usage readings will continue. During this time of uncertainty, members with concerns should contact Heartland REMC to discuss flexible

payment arrangements and other available billing options. Members are also encouraged to pay what they can to avoid facing larger bills moving forward. Since you'll be home more, you're going to use more electricity. Be conscious of this and continue to practice energy-saving tips like unplugging appliances while not in use or turning the lights off when you leave a room.

Beginning Wednesday, March 18, Heartland REMC asks that members do not pay their bill in person or come into the office unless necessary. We will be open, but request that members reduce their interaction with our employees as much as possible. Members are encouraged to make payments from the comfort and safety of their homes. Bill payments can be made via phone, by calling the office at 260-758-3155, online at [heartlandremc.com](http://heartlandremc.com), or on the HREMC mobile application. A dropbox and drive through are also available.

Services that are not urgent or time-sensitive, but require in-person customer contact, such as energy audits, will be rescheduled. Heartland REMC staff will contact members to update them and reschedule those appointments.

The Heartland REMC team is closely monitoring the situation. Please refer to our website, [www.heartlandremc.com](http://www.heartlandremc.com), and our social media pages for the most up to date information.

Heartland REMC members should also be on the lookout for suspicious emails, phone calls, or persons impersonating business employees or charitable organizations. If you get a call from someone claiming to represent Heartland REMC that make threats or demands immediate payment, please hang up and call 260-758-3155.

### **Huntington City Utilities:**

To protect city residents and city employees, in response to the COVID-19 pandemic the City of Huntington Water Billing payment window, located on the first floor of the City Building, will be closed until further notice.

Alternate payment methods are listed below:

#### **Online**

City Utilities offers the convenience of online bill payment.

Go to <https://www.drfrey.biz/3128/customerlogin.html>

#### **Pay By Mail**

Make a check payable to City Utilities and mail it to:

City Utilities

P.O. Box 5177

Huntington, IN 46750

It is recommended to mail your payment at least seven (7) days prior to its due date to allow time for delivery and processing.

To avoid potential late fees, be sure to send your payment to the correct address and include your payment stub in the envelope.

### **Banks**

The following financial institutions will continue to accept city utility payments.

Lake City Bank, 1501 N. Jefferson St.

First Merchant Bank, 2845 Guilford St.

Bippus State Bank, 150 Hauenstein Road, 1303 S. Jefferson St.

First Federal Bank, 648 N. Jefferson St., 1240 S. Jefferson St., 100 Frontage Road

### **Drop Box**

Available around the clock, payments can be dropped off at the Police Department entrance of the City Building. Be sure to include the payment stub portion of your bill. If customers choose to drop off a cash payment at the unattended drop box, the exact change is not required and any overage will be credited to their accounts. Automatic Payments

Call the Water Department office to have an ACH authorization form sent to you or download it here. Complete the form and send it back with a voided check to set up automatic payments. Please allow approximately 15 days for the ACH request to be processed and active on your account.

If you have questions ...

Contact the Water Department at (260) 356-3220 or send an email to [jennifer.gunn@huntington.in.us](mailto:jennifer.gunn@huntington.in.us).

### **Vectren:**

CenterPoint Energy's mission is to deliver energy, service and value to our customers, who are at the center of everything we do. We care about you, our communities and our employees. In response to the Coronavirus (COVID-19), we have activated our Pandemic Preparedness Plan to help ensure the safe, reliable delivery of energy and service to homes and businesses.

#### **Helping ensure uninterrupted natural gas and electric service delivery**

- We are working closely with regulatory, government and emergency management organizations across our service territory to stay updated on Coronavirus (COVID-19) news and alerts
- We support our customers who may need payment assistance, arrangements or extensions
- We have temporarily suspended natural gas service disconnections for nonpayment

# Unemployment

## Work One:

All 11 WorkOne Northeast career centers are closed to the public indefinitely, effective March 24. The actions are designed to protect WorkOne customers, staff members, their families and the community at large as the region and nation tackle COVID-19. People must file for unemployment benefits online by computer, tablet or smartphone at [www.unemployment.in.gov](http://www.unemployment.in.gov) and can search for jobs online at [www.indianacareerconnect.com](http://www.indianacareerconnect.com) or on this Facebook page. People will be able to contact by phone staff at the closed centers and leave a voicemail message. Because of the high volume of calls, return calls may take longer than usual. We apologize for any inconvenience. Career center numbers can be found at the Northeast Indiana Works website ([www.neinworks.org](http://www.neinworks.org)). For statewide information on COVID-19, visit [www.in.gov/coronavirus](http://www.in.gov/coronavirus). For employers planning large layoffs (50 or more), please visit [www.in.gov/dwd/4011.htm](http://www.in.gov/dwd/4011.htm)

## Northeast Indiana Works/Unemployment Filing:

Filing for unemployment insurance (UI) benefits must be completed online using a computer, tablet or phone. [www.unemployment.in.gov](http://www.unemployment.in.gov)

For individuals and employers who have questions, please instruct them to check the UI website [www.unemployment.in.gov](http://www.unemployment.in.gov). This website has resources including a tutorial about filing and a frequently asked questions document.

Q: I have an Uplink Claimant Self-Service account but I cannot log in to file my claim or voucher because I forgot my username or password?

A: Visit the Uplink Claimant Self-Service home page and choose "Forgot Username" or "Forgot Password" to reset it yourself. You will be prompted to enter your SSN, date of birth and other information. You will then be able to create a new username or password. If you need additional user name or password assistance, please email us at [UsernameReset@dwd.in.gov](mailto:UsernameReset@dwd.in.gov). Include your full name, the last four of your SSN, current mailing address and a phone number where you can be reached. Please be sure to let us know if you need username or password assistance or both. We will get back with you as soon as possible.

If the website does not answer questions, individuals and employers may phone the unemployment help desk at 1-800-891-6499 or by emailing to [AskUIContactCenter](mailto:AskUIContactCenter). All UI related questions and concerns are being handled by this team. The WorkOne centers are unable to assist with UI at this time. WorkOne, however, can assist with employment. A list of office phone numbers can be found at [www.neinworks.org](http://www.neinworks.org).

## **Mental Health**

### **Bowen Center:**

The list of closures continues to grow in response to the novel coronavirus (COVID-19) in the United States, however, individuals in treatment for substance use and specifically in a Medication Assisted Treatment program cannot put their treatment on pause. Bowen Recovery Center, a division of Bowen Center, is open for treatment and new patients are also welcome.

In addition to health and safety measures taken company-wide, some additional options for treatment at Bowen Recovery Center will be available starting on Monday. The Bowen Recovery Center treats Opioid Use Disorder specifically using a complex treatment model that includes daily medication to remove withdrawal symptoms and cravings, along with therapy and case management to help patients rebuild their lives.

The Center has received approval from the Substance Abuse and Mental Health Services Administration (SAMHSA - a division of U.S. Department of Health and Human Services) and the Indiana Division of Mental Health and Addictions (DMHA - a division of the Indiana Family and Social Services Administration) to allow an expanded number of patients who are eligible to take prescribed medication home to self-administer for up to 28 days instead of daily commutes to the Center to receive their medication. Patients must follow a fully guided protocol to keep the medication and themselves safe.

In addition, most clinical services (psychiatric, therapy, and community-based case management) will be done via phone. The medical team will remain on-site during regular business hours and those services will continue as normal for patients not eligible for take-home medication and new patients.

Temporarily moving to this model will increase Bowen Recovery Center's capacity to see more patients and serve new and returning patients to help guard their mental and physical health. "This is a difficult time for everyone. When you add a serious disease like Substance Use Disorder to the mix you are compounding the stress level," said Dr. Carolyn Warner-Greer, Bowen Recovery Center Medical Director. "I am pleased we are able to proactively adapt to the situation to keep our patients safe without any disruption of services."

Bowen Recovery Center will continue to follow the guidance from SAMHSA, DMHA and the CDC to ensure the health and safety of its patients and staff and provide on-going, uninterrupted, life-changing care. For more information 24 hours a day, call (260) 433-7464.

### **Mental Health America:**

MHA is doing the following- all virtual meetings:

- Parent Cafe
  - Parent Cafes are fun, free, supportive, educational, parent-led get-togethers where parents can talk openly with one another about the struggles of parenting and ways to strengthen their

families. Meetings are now being held virtually using Zoom, a free web conferencing software. You can view the current schedule of meetings on the Parent Cafe page of our website.

- Parent Support Facebook Group
  - Parents are invited to join our Facebook group, Strong Parent Lounge, to receive support and resources from other parents.
- Anxiety and Depression Support Group
  - In this uncertain time, Mental Health America of Northeast Indiana is offering a virtual support group. Open to any interested participants. No diagnosis needed to attend. The group will meet on Mondays at 10:30-12PM on Zoom. Please sign-up weekly for each meeting. We are looking forward to meeting you and supporting each other! You can register for Monday, March 23 on <https://www.eventbrite.com/e/monday-morning-depression-anxiety-support-group-tickets-100167230884>
- Wellness Recovery Action Plan Courses
  - Wellness Recovery Action Plan (WRAP) recovery courses are being conducted virtually using web conferencing software called Zoom, which you can access for free. WRAP courses teach you how to apply the Five Key Concepts of Recovery to your everyday life to improve your quality of life. Participants identify tools and action plans to counter the negative effects of life challenges. If you are interested in attending one of our newly-added courses, you can find them all on our Eventbrite page.

MHA is also compiling mental health resources and parents/kids focused stuff on our website at <https://mhanortheastindiana.org/coronavirus>

## **American Red Cross**

The American Red Cross is offering virtual instructor-led offerings of Psychological First Aid that are open to community partners. This course provides practical suggestions for what a person can say and do as he/she practices the principles of Psychological First Aid in support of others. It helps people provide assistance to others when they most need it and to helps anyone working in an impacted area take better care of themselves and their colleagues when they are engaged in response and recovery activities. ### **Boys and Girls Club:**

Statement regarding COVID-19 (Novel Coronavirus)

In response to school closures caused by the COVID-19 pandemic, on Thursday March 12, 2020, the decision was made to limit the amount of occupants allowed into the Parkview Boys & Girls Club building for the foreseeable future. This decision was made after consulting Huntington County officials and the Indiana Department of Health, which ordered no more than 50 people gathered in a public setting at the same time. The decision resulted in the following changes to Club operations:

Revised operating hours of 5:30 a.m. to 5:30 p.m.

All kids are divided into groups of nine kids to one staff, with groups not allowed to be in any one room at the same time

Since maximum numbers are full, families are on a waitlist.

Club families are encouraged to leave children with family members, friends, or neighbors if possible

Children would be admitted only after being checked in by parents and having their temperatures taken

A fee of \$5 per child, per day would be required one day in advance

Most personal items would be prohibited from the Club but iPads would be allowed for e-Learning

We understand that this decision may inconvenience members of our community but it was made with the best interests of our community's health and safety in mind.

- Our nurses and aides continue to make visits when necessary, as well as phone visits; we follow all facility guidelines as these differ from place to place; all recommendations from the CDC take precedence-Visiting Nurse stays up to date and follows all protocol
- Our main office and Grief Center are closed until 4/6/20 as of right now; we will continue to follow orders/rules set in place by the Governor and authorities, continuing to monitor dates to reopen for normal business hours
  - **All calls are still being answered by our intake, admissions and on call staff-please continue to reach out-** due to routing calls may be delayed but this should be minimal, thank you for your patience
- Hospice Home is open; visitation limited to 2 visitors at all times

All other staff/disciplines are working from home and available.

## Prenatal and Infant Care

### Formula and Supplies (including diapers)

During uncertain times like this, some parents may be tempted to stretch their baby's formula by watering it down or waiting longer between feedings. **This is not safe for your baby.**

Likewise, Baby supplies may be difficult to find or afford in stores right now. It is important to continue regular hygiene and diaper-changing routines during this time.

**Please reach out to one of these organizations** if you need help getting more formula and/or if your supplies are running low:
